FINANCIAL AID CONSUMER INFORMATION FOR STUDENTS

The following information is intended for all current and prospective students.

Privacy Rights of Students and Parents

The Family Education Rights and Privacy Act (FERPA) affords students certain rights concerning their education records. The College Catalog explains these rights.

The college encourages all students who wish to be considered for financial assistance to complete a federal financial aid application (FAFSA), which is provided at no cost to the student.

Consumer Information from the U.S Department of Education

Many of the specific eligibility requirements to gain and retain Federal Aid eligibility are found in the publications provided by the U.S. Department of Education and on their website at:

www.studentaid.ed.gov	Funding Education Beyond High School 2010
www.dl.ed.gov	Borrower Services – Direct Loan Servicing
www.direct.ed.gov	Information about Direct Loans

SABER College makes brochures, pamphlets, applications, and other consumer information available at the Financial Office.

FINANCIAL AID INFORMATION – GENERAL:

STUDENT LOANS AND GRANTS

Student loans are borrowed money that must be repaid with interest. Loans cannot be canceled because the student didn't like the education he/she received, didn't find a job in the field of study, or was due to financial difficulties. You, as a student, must understand that loans are legal obligations.

It is a good idea to borrow only as much as you need. This will leave you more money for basic expenses and other expenses when you need to start repaying the loan, and the monthly payments will be lower.

To learn about federal student loan debts, go to www.FederalStudentAid.ed.gov and find the publication "Learn the Basics and Manage Your Debt."

The following Direct Loans are made through the William D. Ford Federal Direct Loan Program which the Department of Education administers.

Direct Stafford Loans

These are low-interest loans for eligible students to help cover the cost of higher education at colleges, trade, career, or technical schools. Students borrow directly from the US Department of Education at participating schools. Direct Stafford Loans include the following types of loans.

- **Direct Subsidized Loans** – These loans are for students with financial need. The school will review the results of the student's application for FAFSA and determine the amount he/she can borrow. The student is not charged interest while he/she is in school at least half-time and during grace periods and deferment periods.
- **Direct Unsubsidized Loans** – The student is not required to demonstrate financial need to receive a Direct Unsubsidized Loan. The school will determine the amount you can borrow. Interest accrues on an unsubsidized loan from when it is first paid out. The interest can be paid while student is in school and during grace periods and deferment or forbearance periods, or you can allow it to accrue and be added to the principal amount of the loan. If a student chooses not to pay the interest as it accrues, this will increase the total amount that has to be repaid because the student will be charged interest on a higher principal amount.

Maximum Annual Loan Limits Chart – Subsidized and Unsubsidized Direct and FFEL Stafford Loans

	Dependent Undergraduate student	Independent Undergraduate Students (and dependent students whose parents are unable to obtain PLUS Loans)
First Year Undergraduate	\$5,500 (maximum \$3,500 subsidized)	\$9,500 (maximum \$3,500 subsidized)
Second Year Undergraduate	\$6,500 (maximum \$4,500 subsidized)	\$10,500 (maximum \$4,500 subsidized)
Third Year and beyond Undergraduate	\$7,500 (maximum \$5,500 subsidized)	\$12,500 (maximum \$5,500 subsidized)

INTEREST RATES FOR DIRECT LOAN

- **Direct Subsidized Loans** – If the first disbursement of your subsidized loan is between July 1st, 2010 and June 30th, 2011, the interest rate on the loan is fixed at 4.5%. The interest rate on subsidized loans is first disbursed to students between July 1st, 2011 and June 30th, 2012 will be fixed at 3.4% on or after July 1, 2012 will be 6.8%.

Direct Unsubsidized Loans – The interest rate is fixed at 6.8% for all borrowers

Interest Rate Reductions for Subsidized Stafford Loans

First disbursement of a Loan:

Payment Made on or after	And made before	Interest rate on the unpaid balance
July 1, 2010	June 30, 2011	4.5 percent
July 1, 2011	June 30, 2012	3.4 percent
July 1, 2012, or after		6.8 percent

OTHER CHARGES FOR DIRECT LOAN

There is a loan fee on all Direct Subsidized and Unsubsidized Loans. The loan fee is a percentage of each loan the student receives. For loans first disbursed between July 1st, 2010, and June 30th, 2011, the loan fee is 1.0%. The loan fee will be proportionately deducted from each loan disbursement.

FEDERAL PELL GRANT PROGRAM

A Pell Grant is an entitlement program designed to assist undergraduate student in paying for his/her education.

The Federal Pell Grant Program provides need-based grants to low-income undergraduate students to promote access to postsecondary education. Grants amounts are dependent on:

- The student's expected family contribution
- The cost of attendance
- The student's enrollment status (full-time or part-time)

Financial need is determined by the US Department of Education using a standard formula established by Congress. This formula guarantees equal treatment for all applicants. The fundamentals for the standard formula are:

1. The student's income (if the student is independent)
2. The parents' income and assets (if the student is dependent)
3. The family household size
4. The number of family members (excluding parents attending post-secondary institutions).
5. The Estimate Family Contribution (EFC)* which is the sum of:
 - (a) a percentage of net income
 - (b) a percentage of net assets

* A pamphlet that describes the formula in detail can be obtained by writing to Federal Student Aid, P. O. Box 84, Washington, D.C 20044.

6. Demonstrate financial need. After filing a FAFSA, the student receives a Student Aid Report (SAR), or the School receives an Institutional Student Information Record (ISIR)
7. The student must be a High school graduate or hold a GED diploma.

APPLICATION FOR FINANCIAL AID

1. Information and help is provided at the Financial Aid Office at no cost to the student.
2. Students need to obtain a Federal Student Aid PIN (a personal identification number). To obtain a PIN go to: www.pin.ed.gov. With the PIN the student can apply and sign their application for Federal Student Aid (FAFSA) at no cost to the student.
3. Provide all the documents needed to apply, including income tax returns W-2 forms , and other records of income. A full list of required documents is available online at: www.fafsa.ed.gov.
4. Students must complete FAFSA between January 1st and June 30th. Students can either apply online or request assistance at the Financial Aid Office
5. Between three (3) and five days, student will receive the Student Aid Report (SAR) frimng result of the FAFSA application.
6. If necessary, the Financial Aid Office might need to request additional information from the student. It is essential that the student provide the requested information by the set deadline, or he/she might not receive federal student aid.

FINANCIAL AID ELIGIBILITY

1. Students must have a high school diploma or GED diploma.
2. Students must be a US citizen or eligible noncitizens.
3. Students must make satisfactory academic progress toward completion of the program.
4. Students must not be in default or owe a refund to any Title IV program.

BORROWER ENTRANCE COUNSELING

Before the time of disbursement of the student loan, SABER provides to first-time borrowers a Federal Direct Loan entrance counseling. The purpose of the counseling is to provide the student with comprehensive information on the terms and conditions of the loan and the responsibilities of a first-time borrower. The purpose is to:

- Explain to the student the loan's effects on the borrower's eligibility for other forms of aid.
- Advise the student on the use of the Master Promissory Note.
- Explain to the student the seriousness and importance of repayment obligation
- Provide the student information on the accrual and capitalization of Interest.
- Explain to the student the importance of contacting the appropriate offices if he/she withdraws before completing a program of study.

- Provide the student with a sample of monthly repayment amounts.
- Provide the student with the name and contact information of the individual that he/she may contact with questions about the rights and responsibilities or the terms and conditions of the loan.

BORROWER EXIT COUNSELING

Shortly before the student (borrower) completes his/her education or withdraws from SABER, the borrower must participate in exit counseling. This counseling will provide information on:

- The average anticipated monthly repayment amount
- Repayment plan options (to prepay or pay on a shorter schedule).
- Use of Master Promissory Note
- Seriousness and importance of the student’s repayment obligation.
- Student (borrower) obligation to repay the total amount of the loan.

Students (borrowers) at this exit counseling will have the opportunity to ask questions and concerns that he/she may have about their specific situation.

DRUG AND ALCOHOL PREVENTION INFORMATION

Dangers of Drugs & Alcohol Uses and Effects

According to the American Council for Drug Education, there are nearly 15 million alcoholics in America. In addition, alcohol contributes to nearly 100,000 deaths annually. Various drugs produce different effects on the body. Some stimulants or narcotics increase the activity of the brain, while some depressants slow down the body's systems. Alcohol and drugs can damage different body organs, including the liver, heart, kidneys, brain and nervous system. Also, drugs and alcohol can lead to a wide range of medical and mental problems.

Neurological Effects

Alcohol and drugs may lead to such neurological complications as coordination problems, impaired vision, blackouts and short-term memory loss. Although alcohol initially offers a soothing effect, it impairs concentration and slows down one's reflexes, which is especially dangerous when driving.

Dangers of Drugs & Alcohol Uses and Effects During Pregnancy

Women who drink alcohol during pregnancy may give birth to babies with fetal alcohol syndrome. These babies will have irreversible physical abnormalities and mental retardation.

PURPOSE

It is the policy of SABER College to provide the students, clients and employees with a safe environment in which to work and learn, and to keep students, and employees well informed about campus security. It is the policy of SABER College to report criminal actions and other emergencies occurring on campus and to maintain records of crimes reported to campus authorities.

This institution's community is responsible for reporting criminal actions and other emergencies occurring on campus to their immediate supervisors, who will in turn report them to the CACC, and who keeps records of crimes reported. If assistance is required from the police or fire unit, Administration will contact emergency 911. If danger is imminent, any Department Head may do likewise. SABER College will make a reasonable good-faith effort to obtain crime statistics from appropriate law enforcement agencies, to include in an annual security report and the Web-based report to ED. Those wishing to see the area's crime report can access: www.miamidade.gov/myneighborhood.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

The Clery Act (originally known as the "Campus Security Act") was enacted by the United States Congress and signed into law in 1990 and then later was amended in 1992 and 1998. The Clery Act law applies to all institutions of high education, both public and private that participate in any federal student aid programs requires schools to publicly disclose 3 years of campus crime statistics and basic security policies. As required by the Clery Act, SABER College has its own plan to report criminal actions, other emergencies occurring on campus and its own policies concerning SABER College response to such reports. The full description of the Clery Act- Statement of Policy is available in the College Catalog.

Changes to Clery Act made by the Violence Against Women Reauthorization Act of 2013 (VAWA)

On March 7, 2013, President Obama signed the VAWA, which, among other provisions, amended section 485(f) of the Higher Education Act of 1965, as amended (HEA) otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The Clery Act require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures, and programs pertaining to these incidents in the annual security

reports (ASRs). The change requires institutions to include this new information in the ASR beginning with the ASR that must be provide to students, employees and prospective students and employees by October 1, 2014.

A number of different acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, sexual abuse and sexual coercion. Sexual violence is a form of sexual harassment.

If you are victim of sexual assault, first seek safety and then immediate medical attention. SABER College strongly encourages any victim of sexual assault to report the incident in a timely manner. Time is a critical factor in the collecting and preserving of evidence. It is recommended that a victim of sexual assault should not wash, douche, use the restroom, or change clothes prior to a medical examination. An assault should be reported to the local police department by dialing 911 or reporting the incident to the Campus Dean who can assist you with the reporting of a sexual assault.

All alleged sex offenses are subject to SABER disciplinary action. A student found guilty of violating the sexual misconduct policy could be criminally prosecuted and expelled from SABER College.

SABER College strongly advises victims of sexual assault to seek counseling. Local organizations that specialize in crises counseling include:

INFORMATION ABOUT REGISTERED SEXUAL OFFENDER AND SEXUAL PREDATOR

In compliance with the “Campus Sex Crime Prevention Act” (CSCPA) of 2000, SABER College maintains an electronic link to the Florida Department of Law Enforcement Sex Offender Registry. The CSCPA requires State registered sex offender to report any institution of higher education in which he/she is employed, carries a vocation, or is a student and of each change in enrollment or employment status of the person at such an institution.

The Florida Department of Law Enforcement (FDLE) is responsible for maintaining the Florida Sexual Offenders and Predators website for interested parties to search their database of sexual offenders and predators.
